no extra cost to the customer.

What We do

We are the company you count on to find the best options for your Freight-Day or night.

Our certified employees use the latest technology to receive, process and successfully complete your nationwide ftl related inquiries. By training and orienting staff to meet specific points along the 3PL chain, they are able to provide real-time insights and services for:

- tech-enabled full truckload solutions, via Go Truck Hub.
- company-owned vehicles- no delays, no third-party contracts, no problems.
- Responsive and on-demand services & communication.
- Specialized dry & refrigerated units.
- Hazmat capable and certified.

We have extensive experience handling both high volume and niche shipping needs.

(responsive) Business Model

EXECUTION

Ethical and professional behavior is the bedrock of our company. We treat all of our customers and their containers equally and politely; the demands of the industry do not dictate the professional relationships we create; we'll work with ports to securely import/export your container(s).

EXECUTION

Each member of our team is cross-trained with a specific focus safety and responsiveness. Empowering them with technology for faster and easier workflows and providing annual training seminars. With dedicated departments, employees undergo training related to their unique operational needs as well as general practices, ensuring our clients have a consistent a-rated experience across the board.

Where We Are

CORE HEADQUARTERS

The nurturing South Florida area has allowed our capabilities to grow with scale, further passing unique ROI focused services to the 3PL industry.

From a regional location of Miami, Florida, Go Logistics taps into multiple sites throughout the United States. With unique staff trained for the unique aspects of the 3PL chain.

Enhanced (TECH) Operations

RMIS ONBOARDING

Move more freight, reduce risk, streamline operations and increase profits. The RMIS suite of products for transportation brokers and the transportation industry allows users to on-board carriers faster, easily manage the compliance of thousands of carriers, get help with the administrative burden of dealing with carriers, insurance agents, documents and more.

CARRIER DASHBOARD

- Available loads.
- Submit manual or automated check calls.
- View payment information.
- Capture and send documents.
- Available to customer(s) with a fleet of their own to coordinate backhauls & reduce costs.
- One source for multifunctionality.
- Ease-of-use & hassle-free.
- Responsive & fast.

Go Truck Hub

Go Truck Hub brings innovative software to the industry to help bring transparency to container drayage, less than truckload and nationwide transportation. Cloud and dedicated mobile applications allow for dispatchers, drivers and shippers to easily locate, track and analyze their 3pl data. Learn more about Go Truck Hub at mytruckhub.com.

CARRIER RATE 2.0

Carrier rate 2.0 supports how a shipper works day-to-day. Encounter a system that conforms to your specific duties and responsibilities. Exclusive features like real-time reporting, 30 day trailing spend, audit exceptions, cost/pound, cost/mile, and carrier ranking allow for unique insights. To learn more about our technology, call us today. One of our tech-enabled staff members will assist.

EDI

- the power to automatically streamline load tendering and invoicing.
- Increase speed of transactions & requests.
- Decreasing odds of human data entry error, IE fatigue.
- The reliability and speed of digital interfacing.

Proof of Business Model

CUSTOMER TESTIMONIALS

“Go Logistics is my daily contact point for everything 3PL- I have an amazing rep who always takes the time to answer my calls or emails. Thanks for the great service.” – Go Logistics Customer Survey

“Ray and Christian are doing a great job – 110%. I'd recommend Go Logistics over any other company. Keep up the good work.” – Isaac, posted on Go Logistics Facebook page

“When I started here a couple of years ago, we were using [a competitor] for a large portion of our shipping. They were not reliable and when there was an issue I would have to talk to up to four people to get an answer. When we switched to Go Logistics it was night and day difference. Every representative I address are on top of things. I am looking forward to the busy season and feel a lot less stressed knowing that Go Logistics will be a part of it.” – Go Logistics Customer Email

CARRIER TESTIMONIALS

“From the start, we have been able to count on Go Logistics for access to freight in all areas of the country, I have worked with Go Logistics a lot and I can't remember one time that I have been put off, snubbed or talked down to by anyone at any time. Go Logistics employs insightful staff members to help me make better choices along my 3PL chain.

“Go Logistics continues to be a competitively paying brokerage firm, usually with full professional attention toward the specs and logistics for each load hauled. We generally enjoy a good relationship with Go Logistics brokers and are thankful. For importing containers quickly, they are the best choice.”

(CONTI.) DATA DRIVEN RESULTS

DELIVERABLES DELIVERED. DATA PROVEN METHODOLOGY

Day or night, our team can meet your on-demand cargo and through the use of responsive, independent technology, the metrics confirm their efforts. By tapping into Go Truck Hub, container drayage, less than truckload (LTL) and last mile deliveries are tracked, confirming the extra hours our detail oriented staff take to ensure each item is ready and safe to move along the 3PL network.

Go Truck Hub provides transparency for users, shippers, and dispatchers, allowing for accountability & data driven analytics. Power your team with knowledge for granular steps within the 3PL industry- transportation, warehousing, hazmat and value-added services.
